

# TEST SSD

## Test Scrittura

**time dd if=/dev/zero bs=1024k of=tstfile count=1024**

Il risultato sarà in bytes/s, pertanto incollare il risultato su Google, ad esempio: "519131791 bytes/s in megabytes/s"

## Test Lettura

**dd if=tstfile bs=1024k of=/dev/null count=1024**
